Personal Financial Tracker

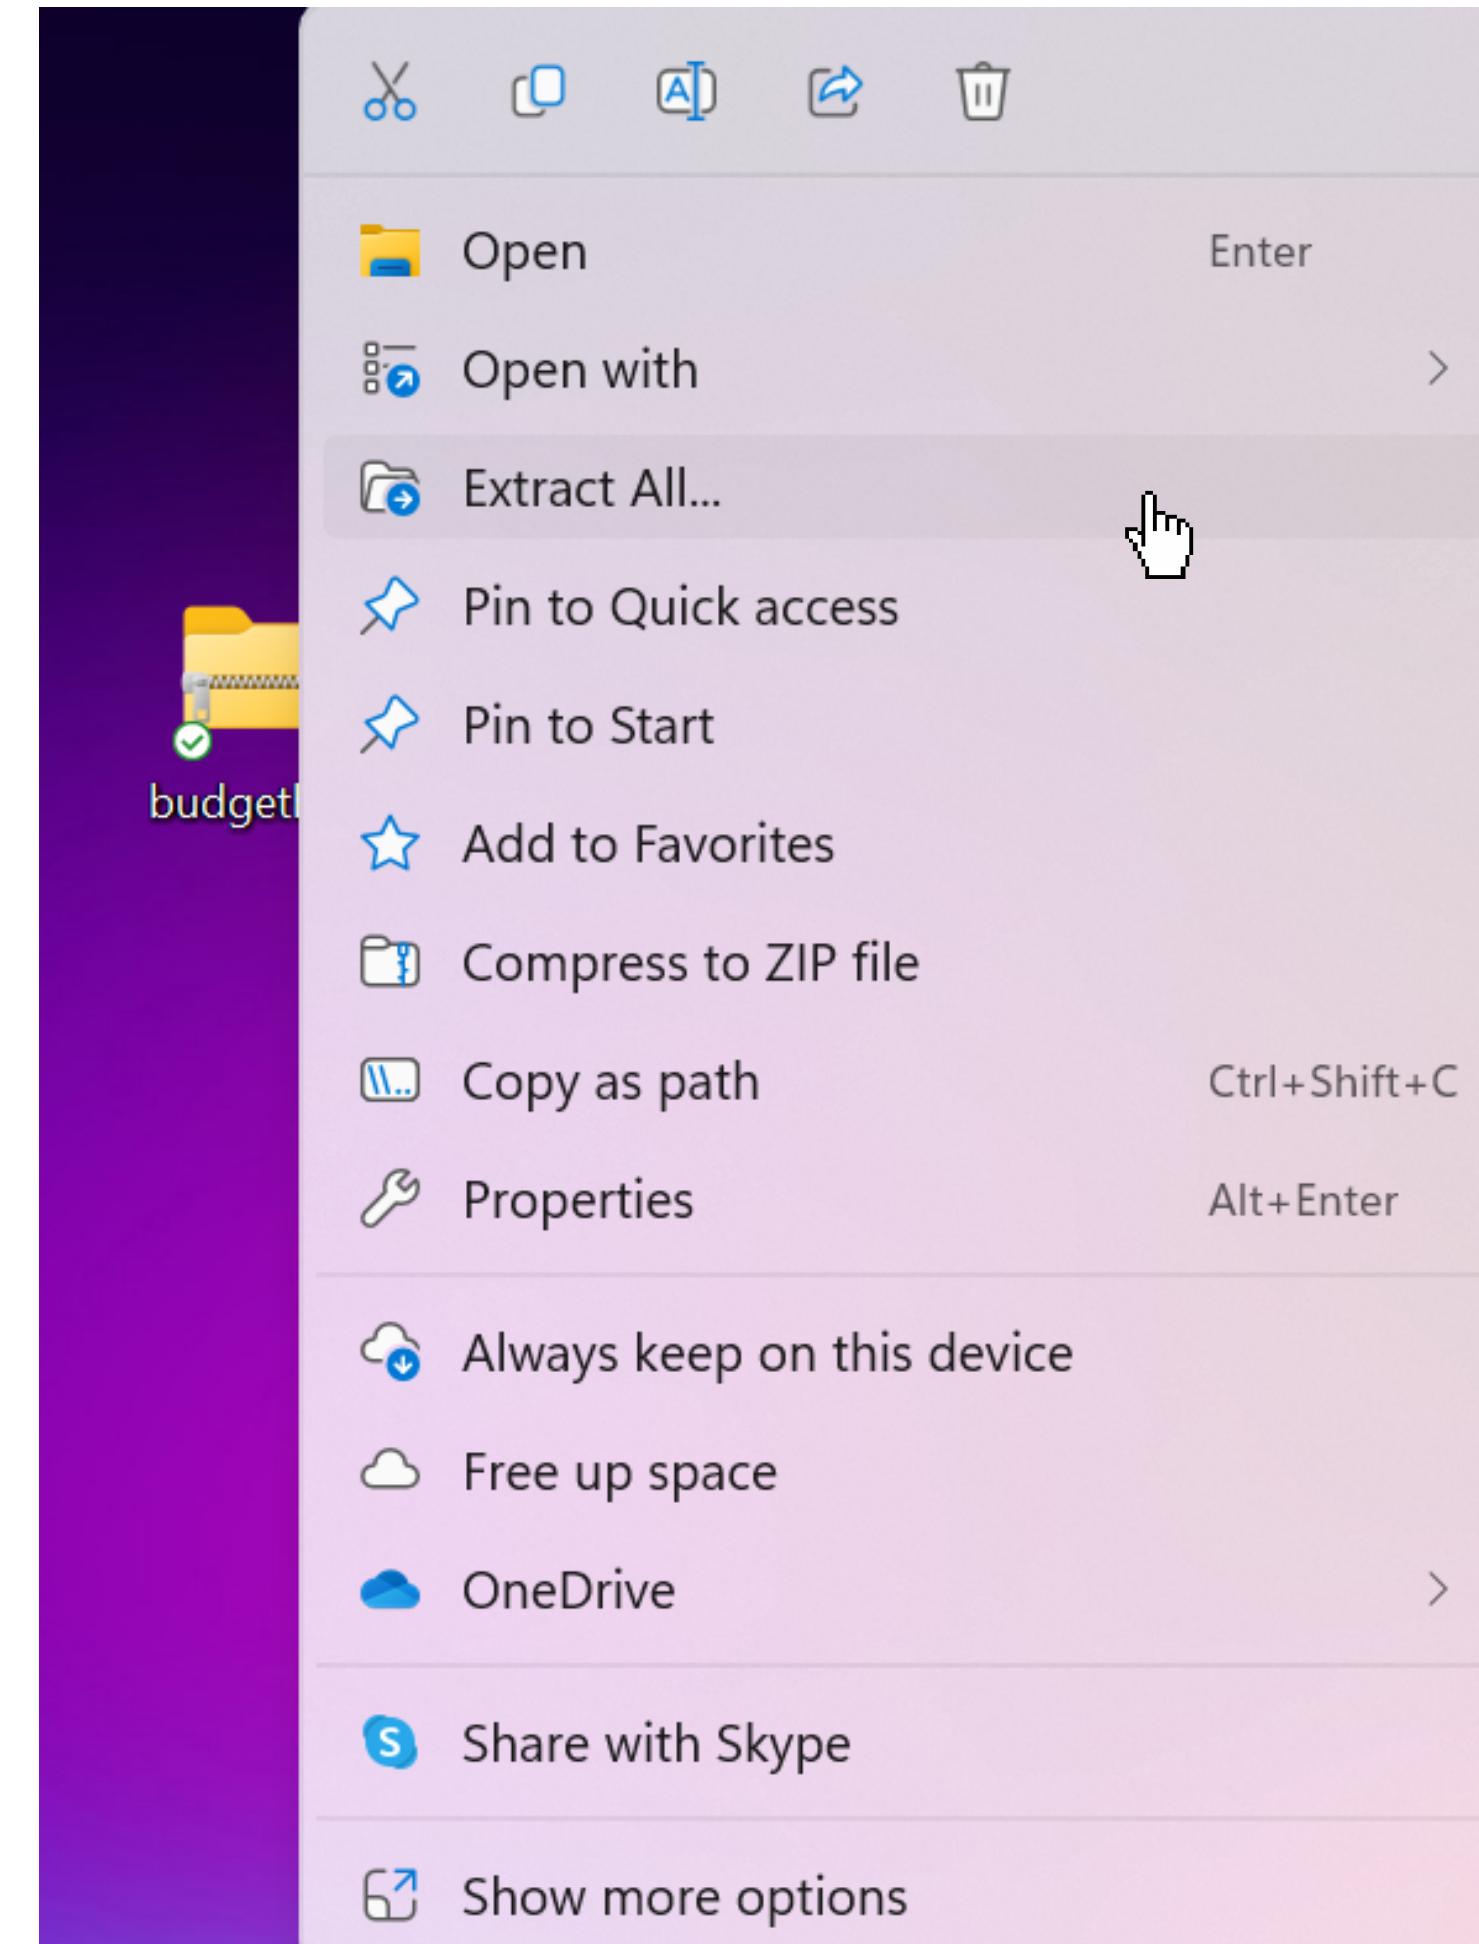

Presented by PicoParkGroup

INSTALATION GUIDE

01

Step #1

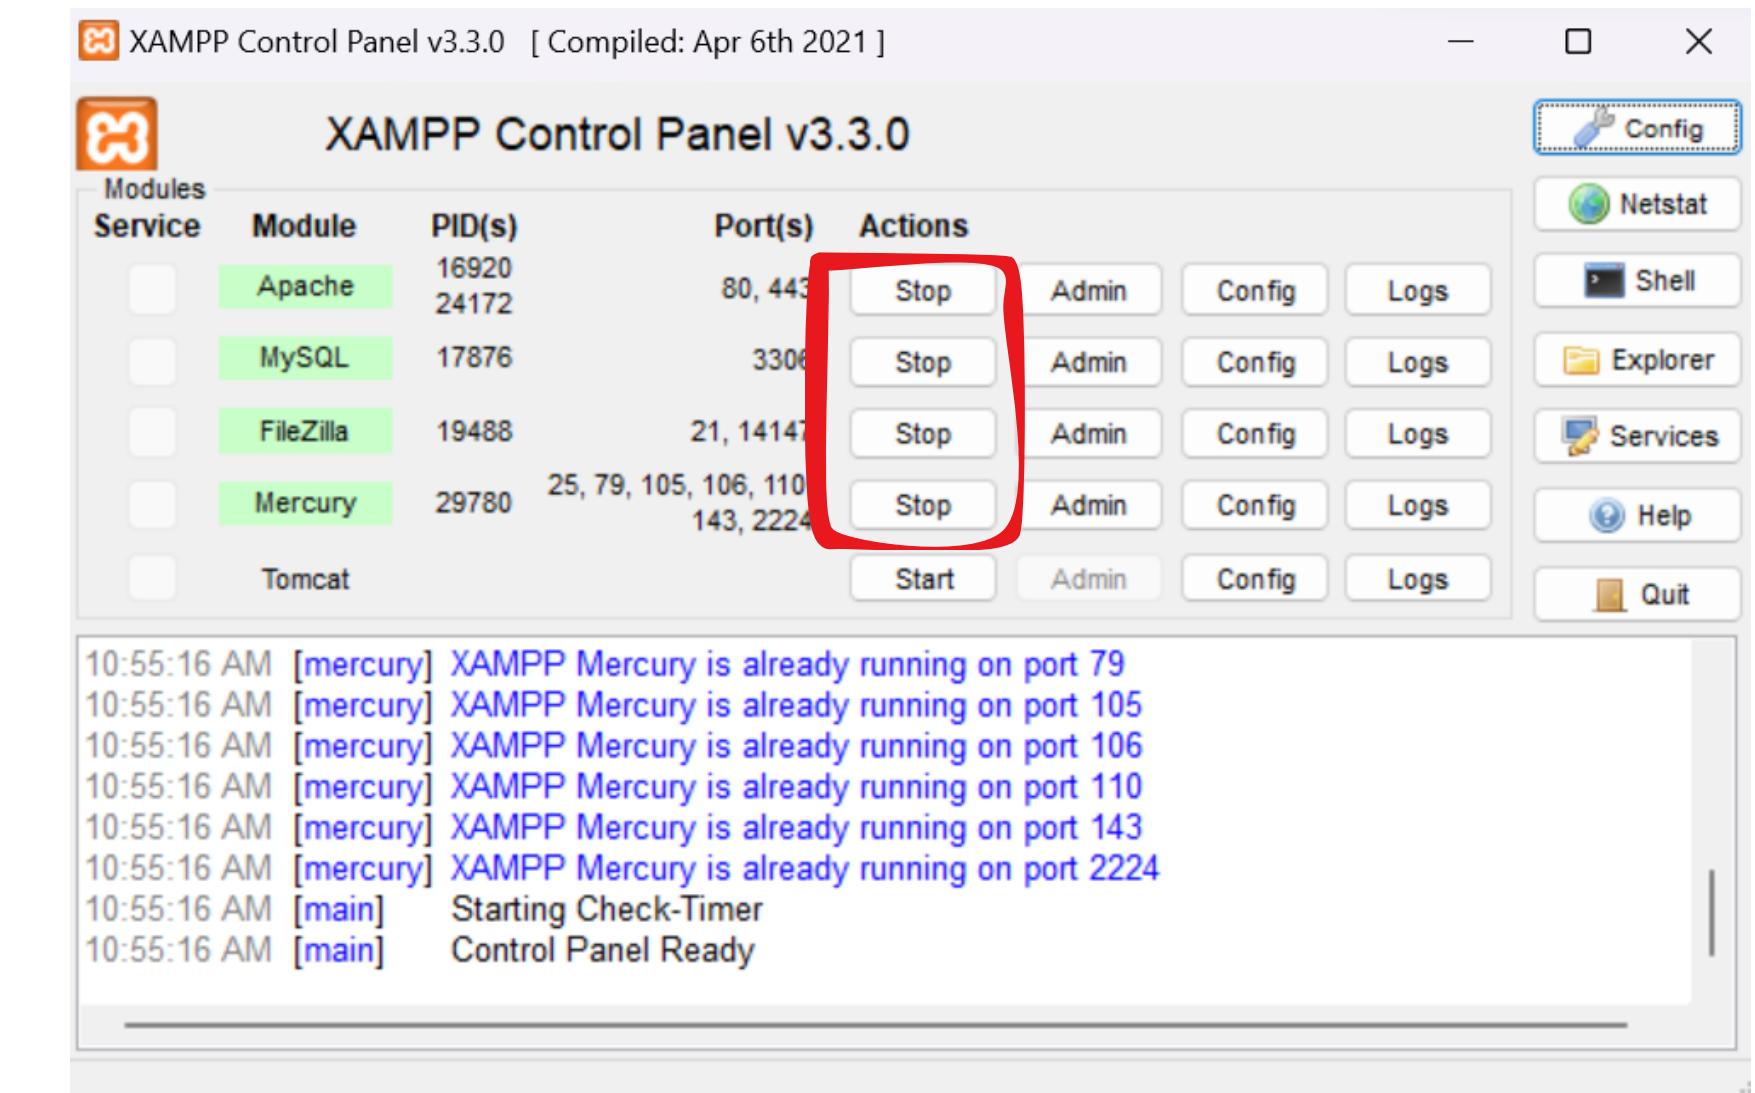

Download the ***budgetbuddy.zip*** file and
Unzip the contents

02

Step #2

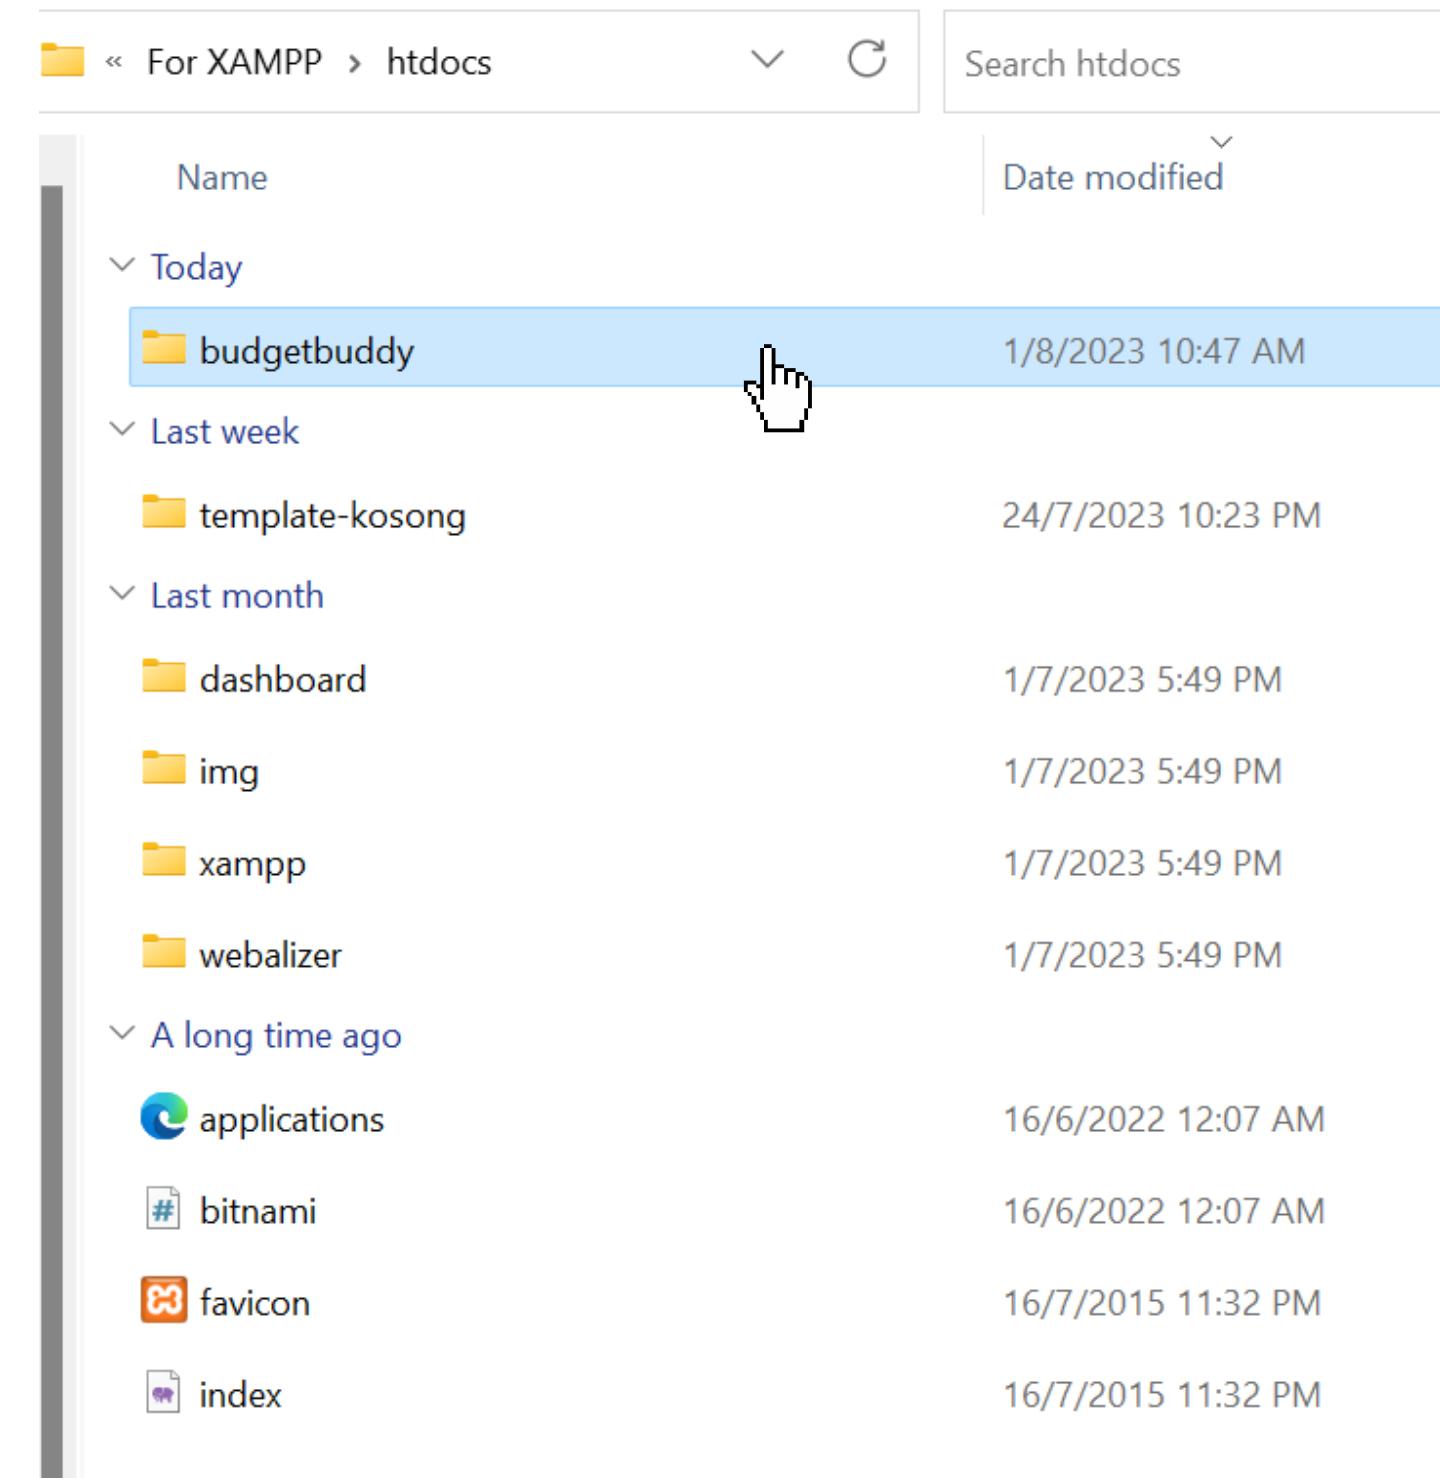

Install XAMPP and start Actions as seen below.

03

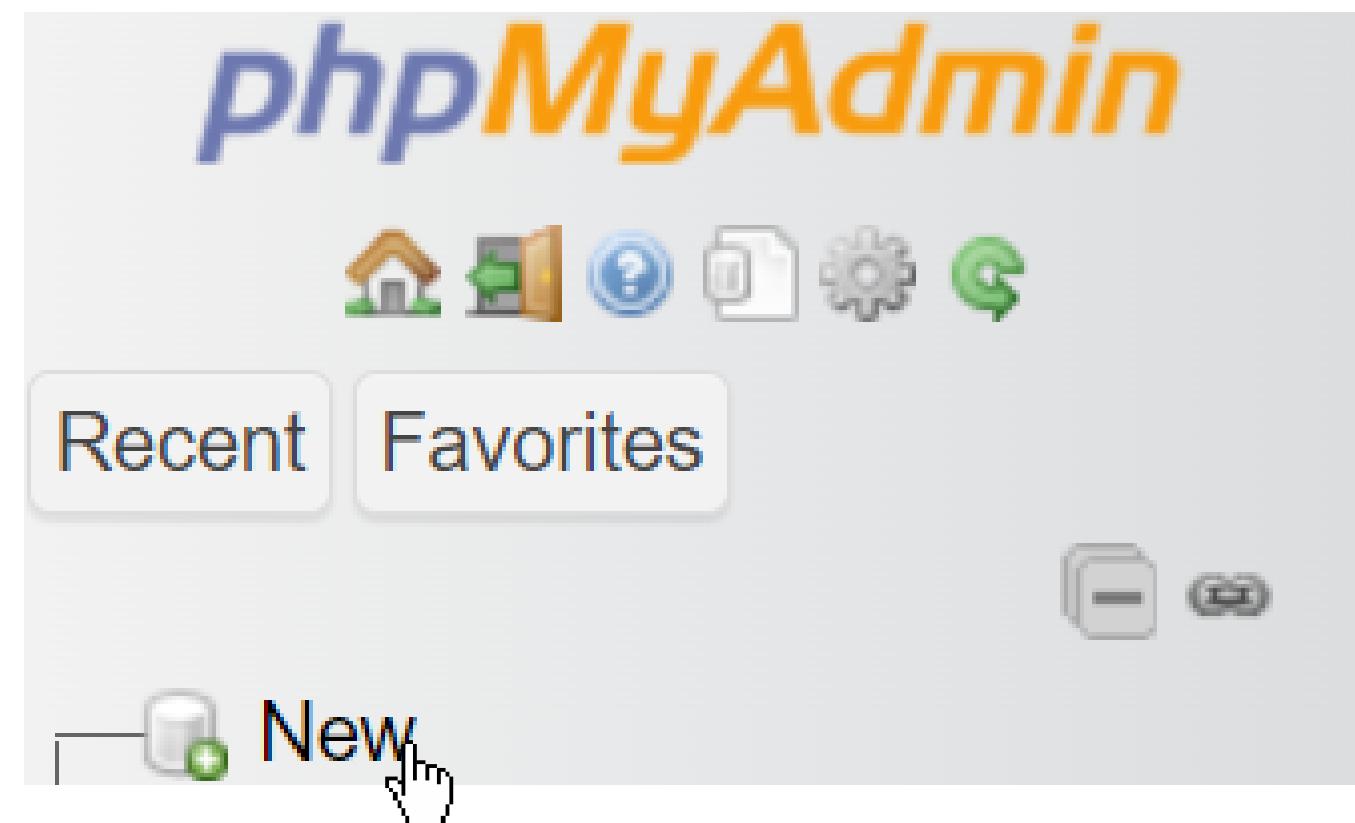

Step #3

Place the ***budgetbuddy*** folder into XAMPP > htdocs.

Step #4

Go to phpMyAdmin using
"localhost/phpMyAdmin" and click New

Step #5

Create a database named
budgetbuddy

06

Step #6

Click on import and choose the *budgetbuddy* SQL file

The screenshot shows the MySQL Workbench interface with the "Import" tab selected in the top navigation bar. The main area displays the "File to import:" configuration screen. A large black curved arrow points from the text in Step #6 down to the "Choose File" button, which has the path "budgetbuddy.sql" listed. Below the file input field, there is a note about compressed files and a "Browse your computer..." button. The "Character set of the file:" dropdown is set to "utf-8".

Importing into the database "budgetbuddy"

File to import:

File may be compressed (gzip, bzip2) or uncompressed.
A compressed file's name must end in **.[format].[compression]**. Example: **.sql.zip**

Browse your computer: (Max: 40MiB)

Choose File budgetbuddy.sql

You may also drag and drop a file on any page.

Character set of the file:

utf-8

Folder: FINAL > budg... >

Search budgetbuddy

| Name | Date modified |
|-------------|-------------------|
| budgetbuddy | 1/8/2023 10:47 AM |

07

Step #7

The database and table are now ready

The screenshot shows the phpMyAdmin interface for a MySQL server at 127.0.0.1. The left sidebar lists databases: budgetbuddy, information_schema, mysql, performance_schema, phpmyadmin, squarewo_sunway, and test. Under budgetbuddy, there are four tables: chart_data, data_entry, expense record, and users. The main panel displays the 'General settings' and 'Appearance settings' sections. The 'General settings' section shows 'Server connection collation: utf8mb4_unicode_ci'. The 'Appearance settings' section shows 'Language: English' and 'Theme: pmahomme'. On the right, three boxes provide detailed information: 'Database server' (server: 127.0.0.1 via TCP/IP, MariaDB, SSL not used, version 10.4.28), 'Web server' (Apache 2.4.56, OpenSSL 1.1.1t, PHP 8.2.4), and 'phpMyAdmin' (client: libmysql - mysqli, curl, mbstring).

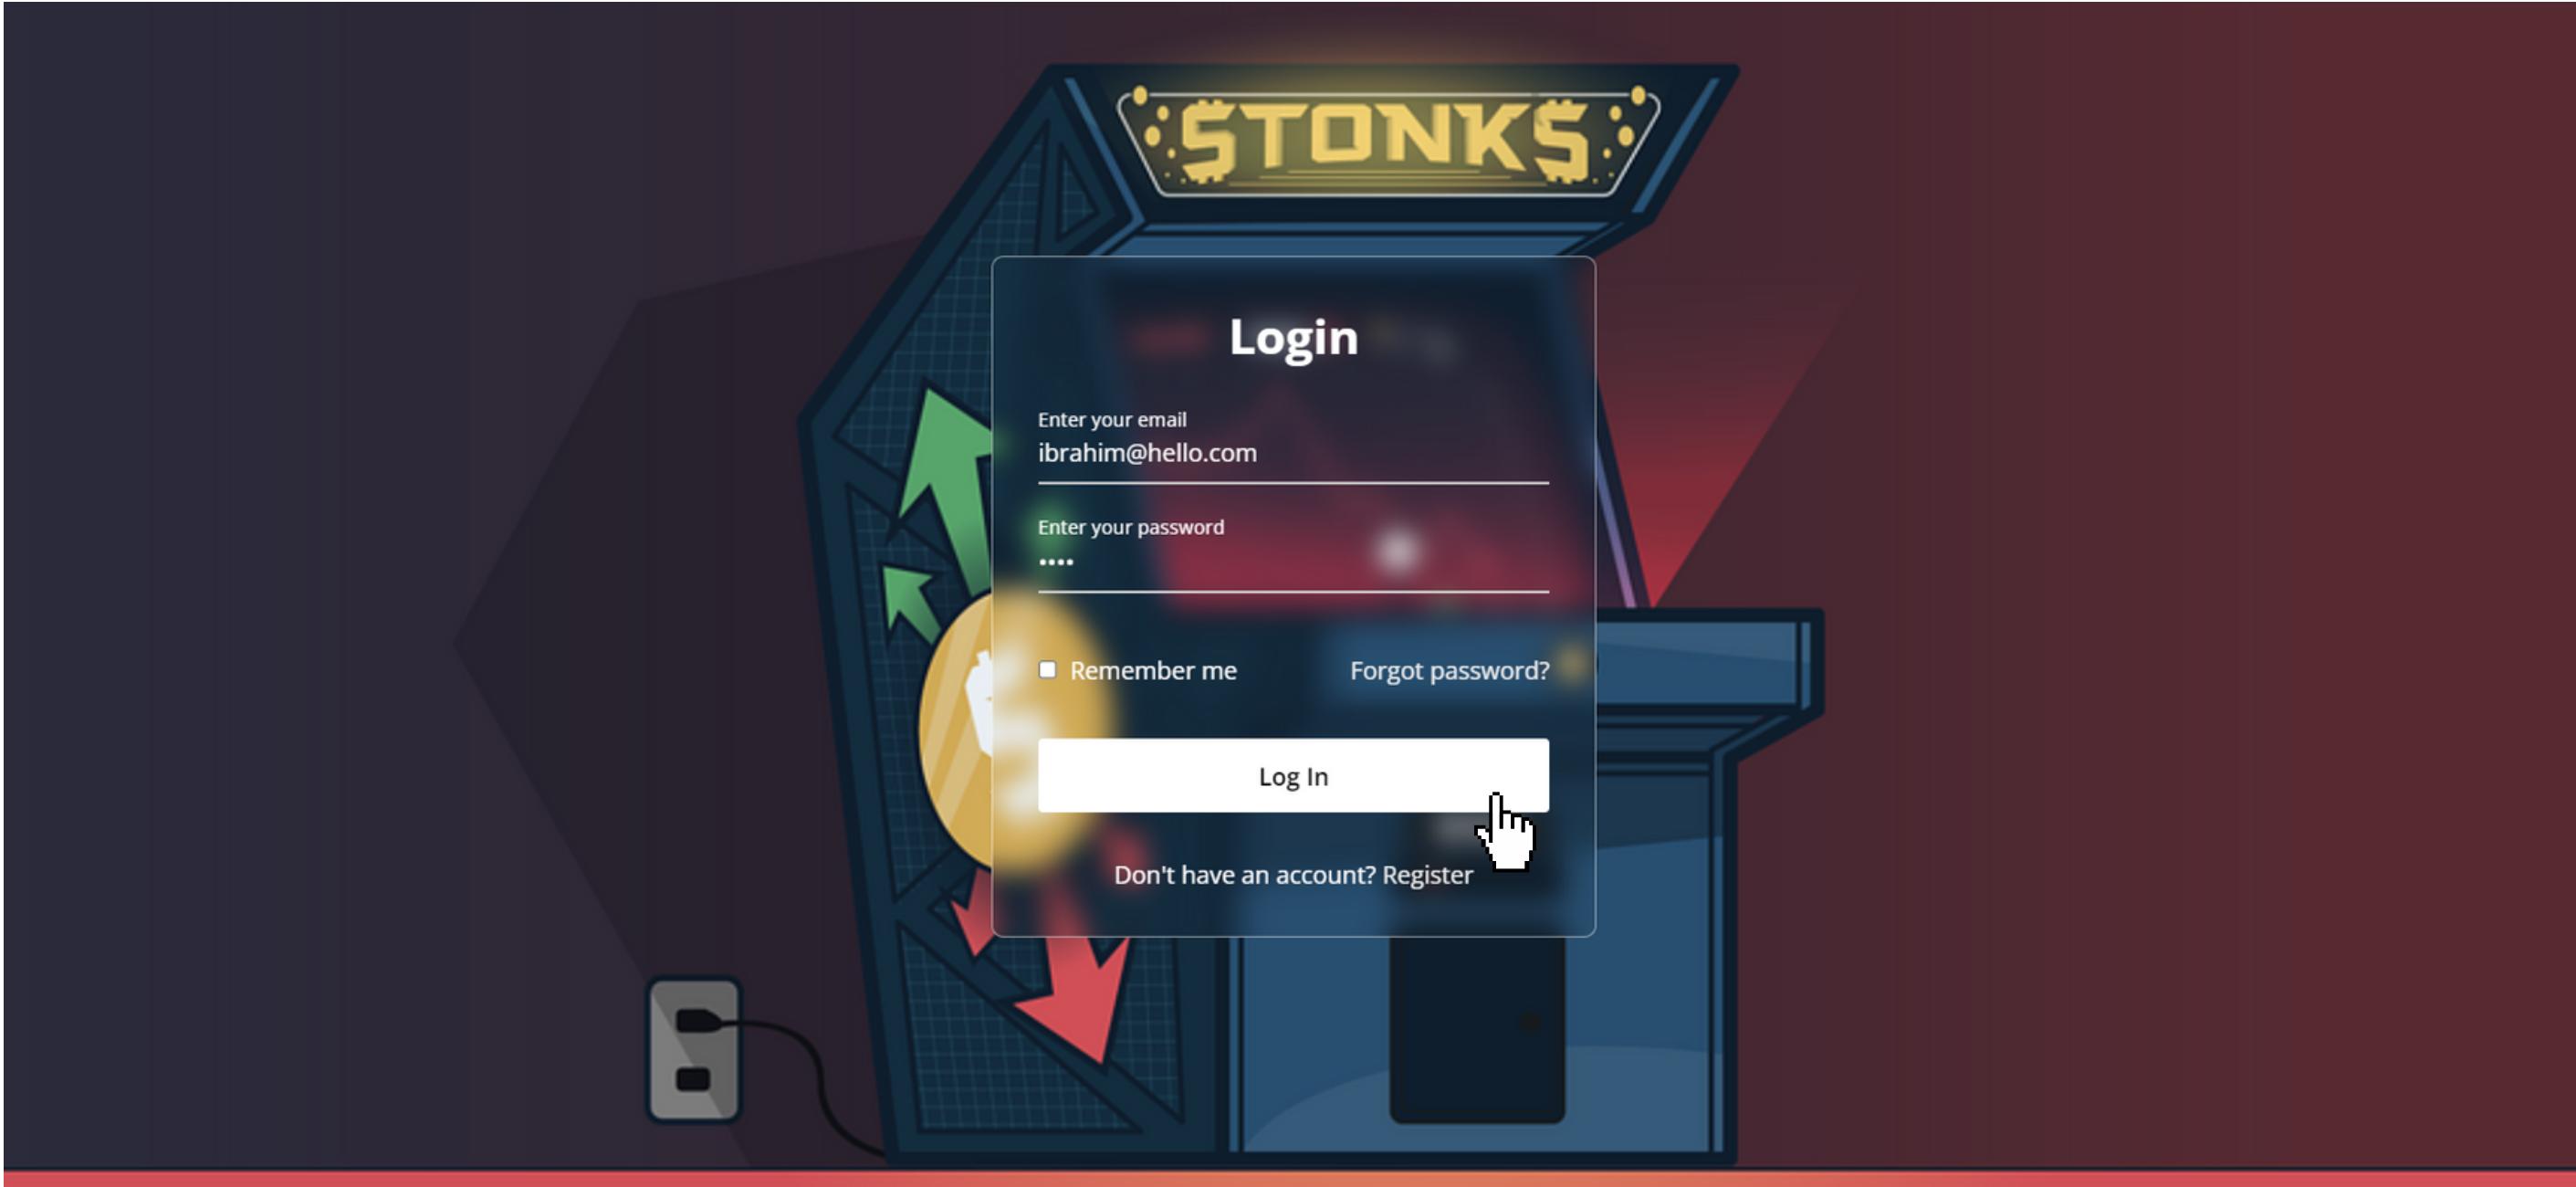

USER'S GUIDE

http://localhost/budgetbuddy/signin.php

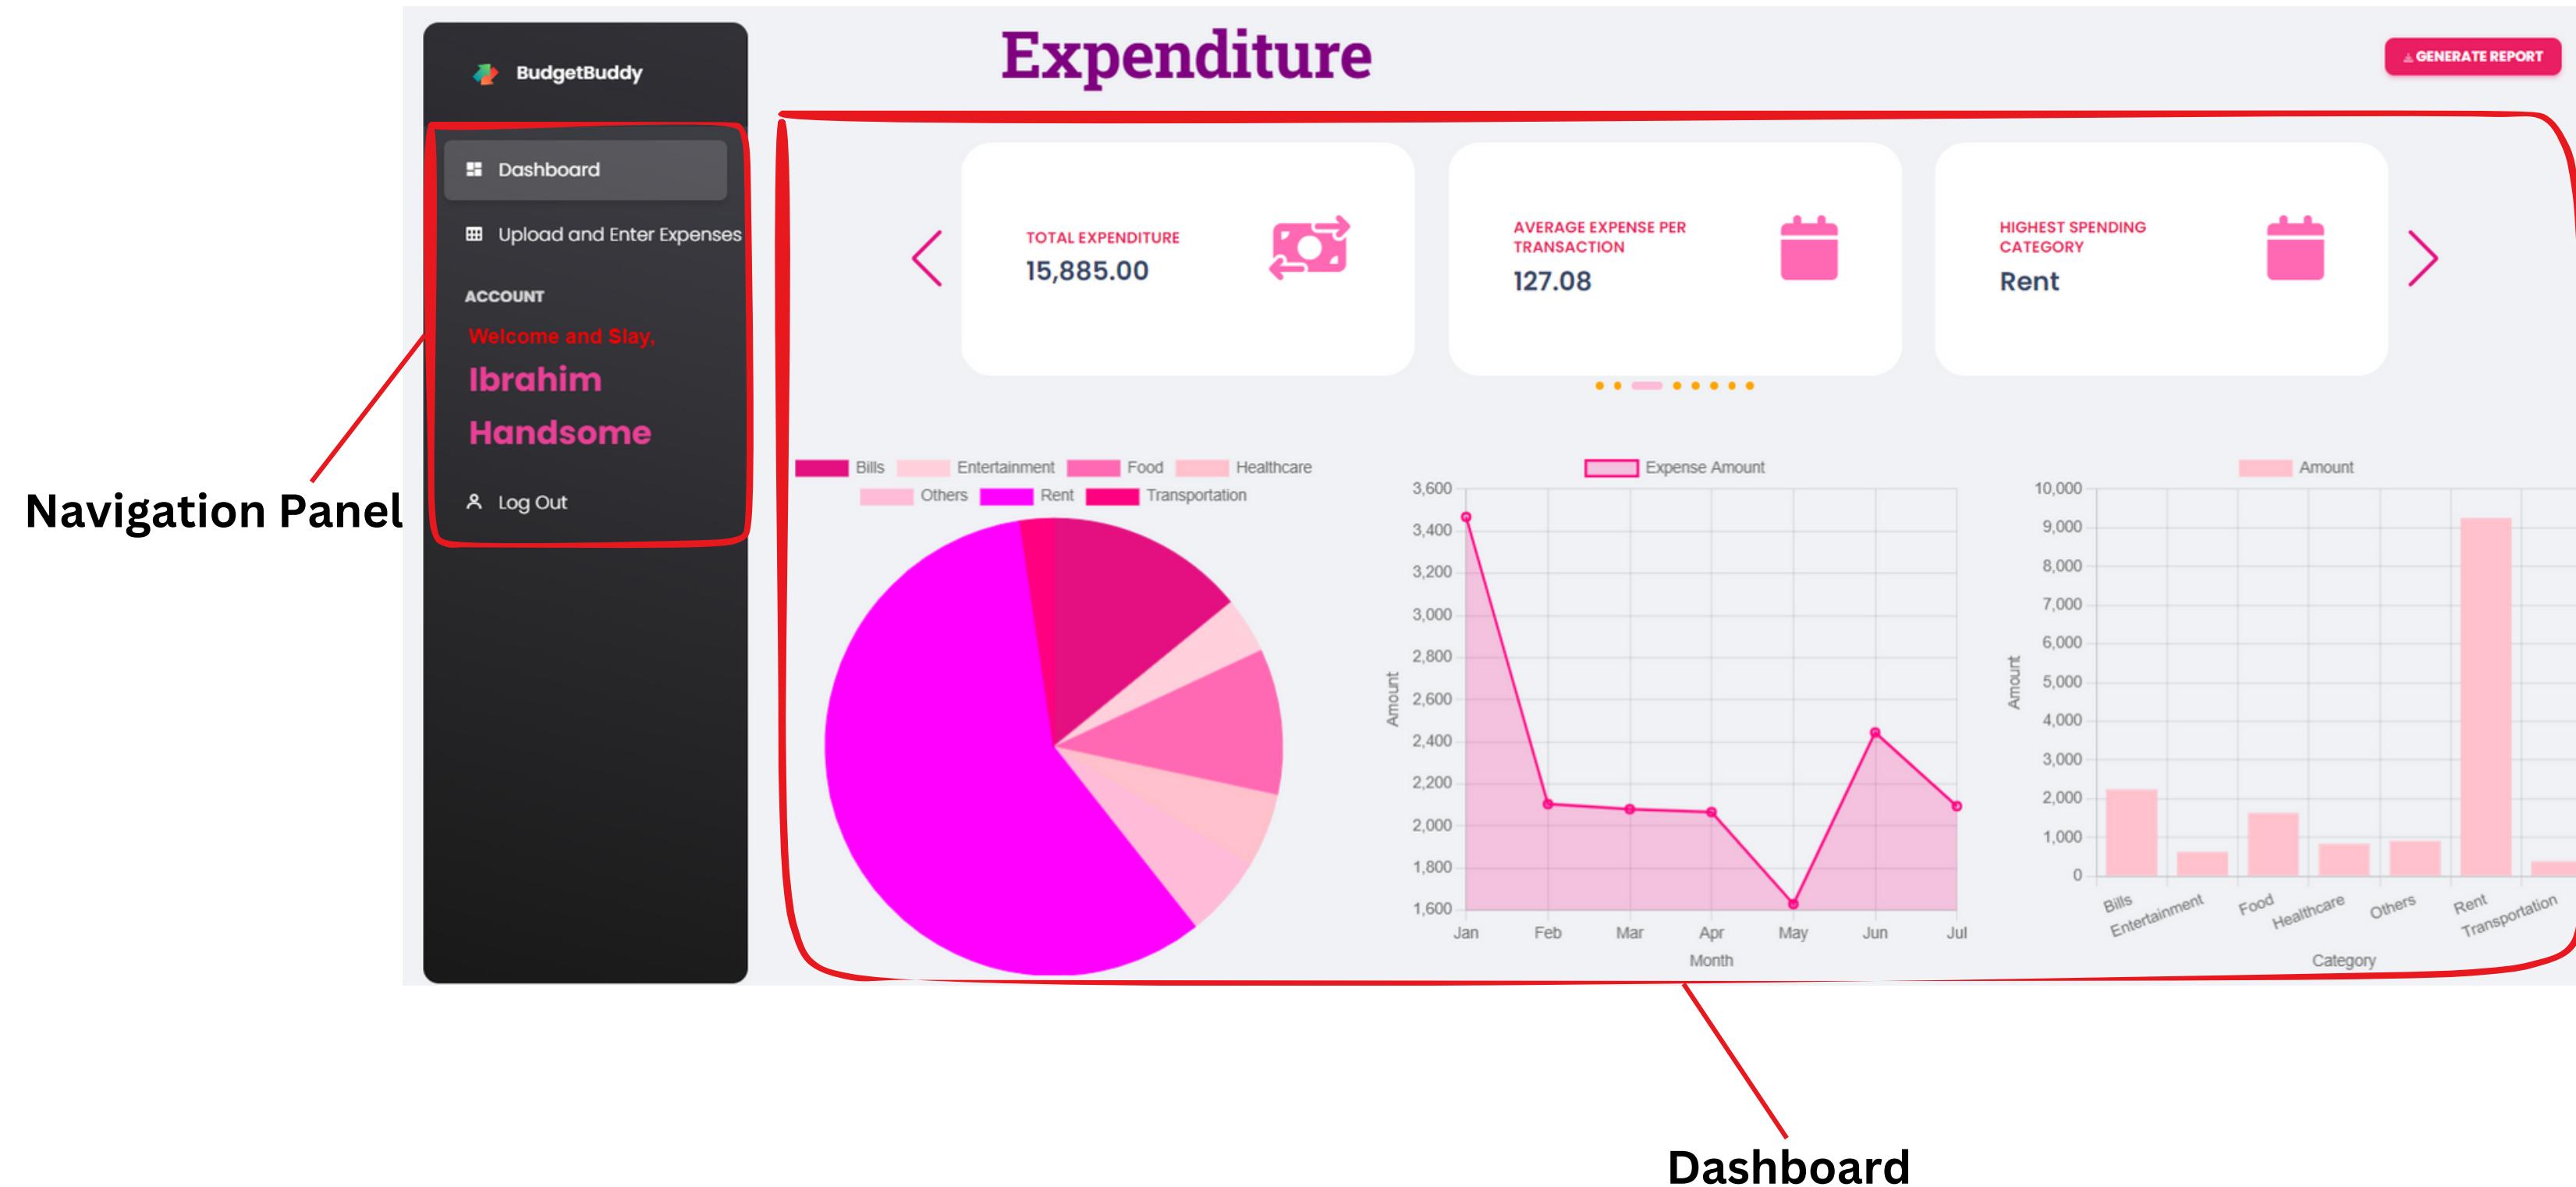

Enter the URL above in the URL bar to go to the login page.

Login Page

Click on the "Log In" button and it will bring you to the main page of the website.

Upload and Enter Expenses - Features

The screenshot displays the BudgetBuddy application interface. On the left, a dark sidebar contains the logo, 'Dashboard', 'Data Entry' (which is selected), 'ACCOUNT' (showing 'Welcome and Slay, Ibrahim Handsome'), and 'Log Out'. The main area has two tabs: 'Automatic Entry / File Upload' (highlighted with a red border) and 'Manual Entry / Records'. The 'Automatic Entry' tab includes a 'Choose File' input field ('No file chosen') and a pink 'IMPORT' button. The 'Manual Entry' tab includes a pink 'ADD DATA' button. Below these tabs is a section titled 'Expenses:' with a table. The table has columns: Transaction ID, Date, Amount Spent, Expense Category, Description, Edit, and Delete. It shows two entries: one for transaction 1007 (Date: 2023-05-01, Amount: 139.00, Category: Bills, Description: phone) and one for transaction 1008 (Date: 2023-05-01, Amount: 600.00, Category: Rent, Description: may Rent). Each row has 'EDIT' and 'DELETE' buttons.

The screenshot shows a user interface for managing expenses. At the top, there's a dark header bar with the text 'Manual Entry / Records' and a green 'ADD DATA' button. Below the header, the word 'Expenses:' is displayed in blue. Underneath 'Expenses:', there's a dropdown menu with the text 'Show 10 entries'. To the right of this dropdown is a 'Search:' input field. A red box highlights the 'Show 10 entries' dropdown. In the bottom left corner of the screenshot, there's a small preview of another section with the word 'Transactions' and a dropdown menu showing options: 10, 25, 50, and 100. The number '50' is highlighted with a blue background and white text.
